PROJECTS REPORT

CAMBODIA

Location: Bot Romdual, Prahos Kbal and Ptea Rong Villages, Ptea Rong commune, Kravanh district, Pursat.

Project Goal: Water provision and home gardening, microcredit, cow bank, education, and vocational training.

As of early 2020, 150 wells have been installed in the three villages. Home gardening has already started. We now work with deep wells which costs 420,000yen each. The well will be shared by 4-10 families, depending on its specific location.
